A MESSAGE FROM THE PRESIDENT

Happy Holidays! Welcome to the **Thoroughbred Chorus' 56th Annual Holiday Show** and join us as we present **"Harmony for the Holidays."** We are excited and look forward to bringing you a truly enjoyable entertainment experience. Many of our guests tell us they look forward to the Thoroughbred Chorus' Annual Show as the commencement event of their Holiday celebrations. It is with you continued support that you, our faithful supporters, have made is possible for us to present our 56th Annual Show. And, to those of you who are joining us the first time, we hope that our show will become an "annual" holiday tradition for you too!

The "Heart" of the Thoroughbred Chorus is made up of truly devoted individuals of all walks of life who put much time and enthusiasm into their love of creating the harmony that is so unique to a four part a capella chorus. It is through the unselfish vocal contributions of our many members, and the discipline that it requires to create that perfect blend, which results in beautiful and entertaining choral music. You reap the rewards of this effort.

This year, for your additional listening pleasure, we have the unique opportunity to present to you, two International Quartet champions, **Power Play** and the **Gas House Gang**!

Sit back, relax and enjoy! Experience the sounds of the holidays. You will be entertained! I and the other members of the Thoroughbred Chorus welcome you and wish you the most joyous of Holidays! Enjoy the show.

Peace on Earth and Good Will Toward Men

POWER PLAY

Power Play was formed in 1988, and won the Pioneer (Michigan) District quartet championship in the fall of 1989. They've competed in international competition 12 times. For the last three years Power Play has attained medalist status. In 2000 and 2001 the quartet was awarded a 5th place bronze medal in each of those competitions. Then in Portland, Oregon they became the 2002 - 3rd place bronze medalists. This year the quartet won the Quartet Competition held in Montreal Canada and became the **2003 International Barbershop Quartet Champions**. They wear their gold medals with pride and intend to represent the Barbershop Society as this year's best of the best.

During the competition the quartet sang such traditional Barbershop favorites as THE SUNSHINE OF YOUR SMILE and SIDE BY SIDE. They also sang more contemporary songs like TIME AFTER TIME and TAKIN' A CHANCE ON LOVE, but the songs that represented the quartet best were the songs they sang in the finals: LOVE AT HOME and THE BEST TIMES I EVER HAD, I OWE 'EM TO MY GOOD OLD DAD. These songs demonstrate the heart of this foursome, which is built around family.

Nothing can compare with the Power of family. This group consists of a father, his two sons, and a nephew. Jack Slamka, the father, sings bass and joined the Barbershop Harmony Society in 1971. He lives in Riley Twp., Mi with his wife, Kitty. Michael, his son, sings lead and joined the Society in 1981. Mike lives in St.Clair, Mi with his wife, Traci, and their three daughters Michaela, Mackenzi, and Madison. Don, the nephew, sings tenor and joined the Society in 1983. He lives in Reading, Mi with his wife, Staci and their daughter Holli. Mark, the other son, sings baritone and joined the Society in 1986. He lives in St. Clair Shores, Mi with his wife, Jennifer, their son, Dylan and daughter Felicity. This quartet proves that the family that Plays (and sings) together stays together.

Gas House Gang

The Gas House Gang has been one of the most sought after a cappella quartets since forming in 1987. Having performed in 49 states and 13 different countries, they have entertained audiences all over the world. They have five recordings to their credit that have been top sellers in a cappella catalogs such as Primarily A Cappella and Mainely A Cappella. They have also received awards and nominations from CARA (Contemporary A Cappella Recording Awards). They are the 1993 International Champions of the SPEBSQSA and have remained one of the most loved quartets in the society since the start of their career.

Performers with whom they have shared the stage include such distinguished musicians as The Four Freshmen, The Swingle Singers, Rockapella, The Persuasions, The Chordettes, The King’s Singers, The St. Louis Symphony Orchestra, Victor Borge, Porter Wagner, GLAD and the Grammy award winning group Chanticleer.

The GHG has suffered a tremendous loss this year. After being diagnosed with esophegeal cancer on May 30, 2003, **Rob Henry** (baritone of the GHG) left his loved ones behind to go to a better place on September 4, 2003. While he is out of pain and singing in heaven’s choir, the Gas House Gang mourns the loss of their brother and friend. Rob leaves behind his wife Sue and their young son Ryan as well as his brother Jim, bass of The Gas House Gang. To read Rob’s story and see photos of his courageous fight, visit the GHG web site - www.GASHOUSEGANG.com.

The Gas House Gang would like to thank the following people for offering their talents as singers to help fulfill all obligations since the untimely death of Rob: **Michael Slamka** (lead of Power Play 2003 Champs), **Tony DeRosa** (baritone of Keepsake 1992 Champs, Platinum 2000 Champs), **DJ Hiner** (baritone of The Ritz 1991 Champs). These great friends have stepped in to sing baritone on shows with the GHG and have done a splended job. The Gas House Gang thanks you for your extra efforts and your friendship.

The Gas House Gang will be retiring at the end of 2005. After nearly 17 years together, they have decided that with the passing of Rob Henry, the quartet should step down. There is no way to capture the thrills they have had traveling the globe and meeting such wonderful people. The only thing to say is a great big THANK YOU!

In Memoriam:

JOHN MARKLEY

1925-2004

In the late '50's a group of twenty-five members of the Louisville Chapter of the Barbershop Harmony Society made a decision that changed not only the direction of the chapter, but also that of the society. Those men, who took the name "Thoroughbreds" made the decision to pursue excellence at the highest level, to be the best they could be.
During the next 25 years, the chorus established a standard of excellence in performance and in competition that became the benchmark for the society and helped to encourage other chapters to follow the lead of the Thoroughbreds.

Thousands of men have been a part of the legacy of the Thoroughbreds, but few have been more beloved or more dedicated that John Markley. John was a member of the society for over 55 years, the last 25 with the Thoroughbreds. He served as president of the Southern Gateway Chorus in Cincinnati before moving to Louisville in 1978 where he served not only as president of the chorus, but also as a continuing source of guidance, leadership, and wise counsel to the board and to the musical leadership. John was a great Thoroughbred and an even greater man. His life continues to be an inspiration and blessing to those of us privileged to know him. In August of this year, after a remarkably courageous battle with cancer, John left us with memories and with hearts full of gratitude of the opportunity to share in his life.

Tonight the Thoroughbreds pay tribute to John Markley by leaving vacant his spot on the 5th row of the risers-audience right side. As time goes by, other Thoroughbreds will occupy John's place on the risers, but his influence and place in history and in the hearts of the Thoroughbreds are unique and eternal.

May the road rise to meet you,
May the wind be always at your back,
May the sun shine warm upon your face.

May the rain fall soft upon your fields, and until we meet again,
May He hold you in His hand.
May God hold you in the palm of His hand.
